

**March 29, 2024**

Hey all,

Here's this week's report.

Blessings and keep the faith.

Bill

### **Williamson County School Board**

There were no meetings this week. Next Monday April 1<sup>st</sup> is the policy meeting [agenda](#). If you want to attend, it starts at 6:00pm at 1320 W. Main.

There are three items on the agenda and the most significant one is the change in [Library policy](#). This was supposed to be on last month's agenda but was taken off just prior to the meeting in order to "tweak" it some more. It is obviously a reaction to the current lawsuit that has been filed against the school board (see attached).

### **Williamson County Election Commission**

No meetings this week and none scheduled for next week. If you are interested in a documentary on our elections that is worth watching, I suggest [Let my People Go](#).

### **Williamson County Commission**

Only two meetings this week, for a full list of meetings for March and this past week, go [here](#) and click on agenda and minutes which takes you to the agenda and minutes page where you have to click on the red 2023 in order to make the black 2024 turn red so you can click on it. I'm not sure why this is the case, but it works.

For a run down on all committee meetings for the month of April, go [here](#)

### **Franklin Board of Mayor and Aldermen (BOMA)**

All of the meetings that were held this week and are scheduled for next week are [here](#). I haven't watch any of them this week. In order to see the agendas and watch the meetings, just click on the green bar for each meeting and meeting overview will automatically come up. If you want to see the video of the meeting, click on meeting media.

## Action Items

I'm sure you all know that there is a school board election coming up on August 1<sup>st</sup>. This is a very important election that has the potential to change the make-up of the board. There are six seats up for grabs and we have good conservatives running in all six races. If we can get all six elected, we will have a great opportunity to make some significant changes to how our schools are run and what kinds of things our children are being exposed to.

Make no mistake, the progressive left is making inroads in our county, and they would love to get their people in. If we let that happen, our school we see more and more sexualization and leftist ideologies being taught in our schools. We can't let this happen.

What can you do? You can support and work for the candidate in your district for sure and also help candidates in neighboring districts as well. This is not the time so sit this one out.

All of the candidates need money and people willing to commit to walking neighborhoods, making phone calls, hosting meet and greets at their homes, getting their churches involved.

Here is the list of our candidates and their contact information. Contact them right away and let them know that you want to volunteer. We need to be prepared, and we've got a couple of months to ramp up for the start of the campaigns in June.

District 1

District 5

Republican Dr. Margie Johnson. [website](#)

District 7

Republican Angela Beaton [website](#)

District 9

Republican Claire Reeves [website](#)

District 11

Republican Tonja Hibma [website](#)

## **A Final Note**

Lest I forget, Easter is this Sunday. Christianity is the only religion that has grace. All other religions require works to get to heaven. We, who are believers, know that the reality of our eternal life was accomplished by the work of one man, Jesus Christ.

His promise is eternal and unchanging, and we live by every word that comes from his mouth; He is the life; the creator of us and the amazing cosmos in which we live. He is the way, the truth and the life; He is the light of the world, He is Emmanuel, God with us, our councilor, our mighty God; He is a King, a lion and a lamb; He is the bread of life and the vine; He is the first born of the dead; He is our redeemer and our propitiation for sin; He is the Son of man, our savior, the high priest, the anointed and the stone the builders rejected; He is conquer, servant, the chosen shaft, the resurrection and the good shepherd; He is the image of the invisible God and word made flesh; He is the alpha and the omega and the great I am; He stands at the door and knocks; He is the second Adam who came to reconcile the world to God; He is God.

I hope you all have a meaningful and joyous Easter Sunday and that you experience God in a new and wonderous way this Sunday.

God bless,

Bill

**If not me, who?  
If not now, when?**

***“Now faith is the substance of things hoped for, the evidence of things not seen (Heb. 11:1)***
